Program uredskog namještaja Cubo jamči jednostavnost, lakoću i prozračnost radnog prostora, te njegovu jednostavnu i brzu modifikaciju.

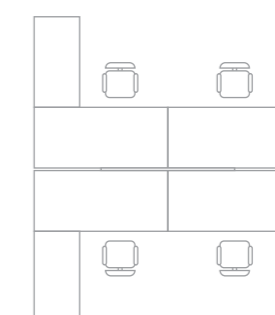

Potkonstrukcija radnih stolova u koraku je s najnovijim modnim kretanjima na polju dizajna namještaja. Boje, od neutralne bijele do dinamične antracit, u kombinaciji s metalnim dijelovima namještaja, predstavljaju bezvremensku ambijentalnu liniju. Staklena vrata u aluminijskom okviru unutar programa ormara Novus plus, koji je prateći programu Cubo, doprinose tehničkom efektu prostora, za one koje privlači konstruktivni dizajn. Iako program Cubo karakterizira čistoća linija, radno mjesto je funkcionalno i praktično, posebice u vrijeme uvođenja "fleet screen" tehnologije koja minimalizira razvedenost radne površine.

The Cubo furniture programme guarantees simplicity and airy lightness of space as well as its simple and quick modification. The desk construction is in accordance with the most recent fashionable designs in the field of the furniture design. The colours, from the neutral white till the dynamic anthracite, in combination with the metal furniture parts represent a timeless environmental line. Glass doors in an aluminium frame within the Novus Plus wardrobe programme, which follow the Cubo programme contribute to the technical effect of the space for those who are attracted to the constructive design. Although is Cubo programme characterized by its clean lines, the working place itself is functional and practical, specially at the time of the fleet screen technology introduction, minimalizing the indented working spaces.

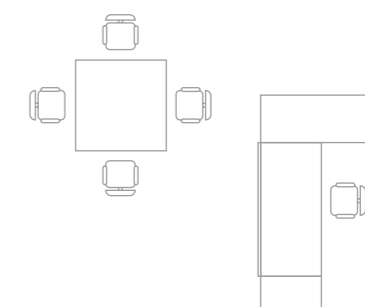

Pokretna kasetna s tri ladice koja se smješta ispod radnog stola opremljena je bravicom za centralno zaključavanje.
A movable cassette with 3 drawers to be put underneath the desk has a lock for central lock-up.

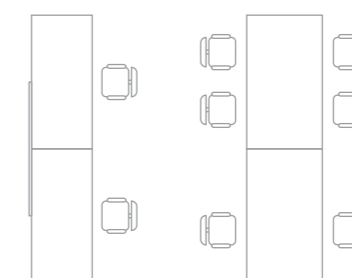

Metalna konstrukcija stolova
ima ugrađenu nožicu za nive-
laciju.
*The metal construction has an
inbuilt foot for nivelation.*
